- ◆ **1877** : The first telephone and telegraph lines were laid in Hawaii.
- ◆ **1903** : Ford Motor Company sold its first car.
- ◆ **1927** : Regular radio broadcasting in India started from Mumbai.
- ◆ **1881** : The International Gymnastics Federation established the Sports Confederation. It is the oldest sports federation in the world.
- ◆ **1906** : Famous revolutionary martyr Chandra shekhar Azad was born.

Current Affairs Related to 23 July

- ◆ **Union Home Minister and Cooperation Minister Amit Shah** launched the CRCS Sahara Refund Portal in Delhi. The objective of this portal is to help crores of depositors belonging to Sahara Group to get their money back.
- ◆ **India hosted the Global Food Regulators Summit 2023 in New Delhi.** The summit was organized by the Food Safety and Standards Authority of India under the aegis of the Ministry of Health and Family Welfare. The summit is being held outside Rome, Italy for the first time. A common digital dashboard was also launched. It will act as a unified portal for food relation rules and norms.
- ◆ **The India-US Science and Technology Forum and the Secretariat of the US-India Science and Technology Endowment Fund** designed the program. The Secretary of the US Department of Energy, Ms. Jennifer M. Granholm called on the Union Minister of State for Science and Technology, Dr. Jitendra Singh. Dr. Jitendra Singh said that through this program, USISTEF selects promising joint US and India technology innovation and entrepreneurial initiatives.
- ◆ **Professor T Pradeep of IIT Madras has won the Annie Prize for his work** on providing affordable and sustainable clean water using nanoscale materials. His work focuses on developing cost-effective technologies to remove toxic pollutants from water. The President of Italy will present the award to Professor Thalappil Pradeep.
- ◆ **Union Road, Transport and Highways Minister Nitin Gadkari inaugurated two National Highway** projects in Lucknow. Projects have been inaugurated at an investment of more than Rs.3300 crores. Projects inaugurated include Madiyav IIM of Lucknow, Sitapur section on National Highway 24. Are included. This will ensure better connectivity from Lucknow to Sitapur.
- ◆ **The Directorate General of Foreign Trade implemented the Advance Authorization Scheme** under the Foreign Trade Policy. Advance Authorization Scheme allows duty free import of inputs for export purposes. The eligibility of the inputs will be decided by the sector specific standards committees based on the input output criteria. DGFT has created a user friendly database of ad hoc norms to make the norm setting process more efficient. These standards can also be used by any exporter without the need for review by the Standards Committee as mentioned in the Foreign Trade Policy 2023.
- ◆ **In mid-July, the temperature in China reached a new record of 52.2C.** Sanbao village in Xinjiang region recorded a temperature of 52.2°C. According to climate experts, the goal of keeping long-term global warming within 1.5°C is getting out of reach.
- ◆ **NITI Aayog launched the Techno Commercial Readiness and Market Maturity Matrix Framework.** Its purpose is to promote innovation and entrepreneurship in India. It is a pioneering evaluation tool, issued under the Policy Action Plan Papers series. It is designed to revolutionize technology assessment, spur innovation and encourage entrepreneurship in India.
- ◆ **The World Health Organization and the United Nations Children's Fund released data** on diphtheria, pertussis and tetanus 3 vaccination coverage. These figures have been released under the National Immunization Coverage 2022. According to this, India has recorded the highest level of diphtheria pertussis and tetanus vaccination coverage at 93% in 2022.
- ◆ **Andhra Pradesh government has released one crore Gambusia fish** in the identified water bodies of the state. Its purpose is to deal with and control mosquito-borne diseases like malaria, dengue. This step has been taken in view of increasing malaria cases in the state. This fish is also called mosquitofish.
